

1 Is that fair?

2 A. Yes.

3 Q. Okay. The first question I have is, I notice
4 this action was brought in your husband's name.

5 Were you aware of that?

6 A. After the fact, yes.

7 Q. Do you know, and, again, I'm not asking for
8 any communications you may have had with your lawyers.

9 So with that understanding, do you know
10 why it was brought in his name, not your name?

11 A. He's the one who did it. He's the one who
12 started it.

13 Q. Did you have any discussion with your
14 husband -- I'm sorry, your ex-husband, Mr. Abruzzo,
15 about filing the lawsuit before it was filed?

16 A. He had mentioned it but that was -- that was
17 about it.

18 Q. So it was --

19 A. We didn't really have a conversation about
20 it. It was his decision, so...

21 Q. It was originally his idea?

22 A. Yes.

23 Q. Were you in agreement with it?

24 A. Not at first.

14p 25 Q. Why not?
